Dear Parents

I hope that you have had a good week and that you enjoy the long weekend break.

Outdoor area – THANK YOU

Thank you so much for the kind and generous items that have been either donated or purchased for school over the last week – we are so grateful. We have so much more for the children to play with at lunch times now and they seem very pleased! We are still on the lookout for at least one wooden play house which we potentially will start to fundraise for.

England does the Daily Mile

Today, it was hoped that 1 million primary children have taken part in '**England does the Daily Mile**'. The rationale is to promote mental and physical health in children and the link between the two. At break time, all our children ran and walked in their class zones outside with some obstacles to add to the fun. Photos will be on our website shortly.

Rugby sessions

Tewkesbury Rugby club will be running some free taster sessions for girls and boys going into years 1 and 2 in September. They will take place from Friday 11th June at 5.30pm. Please see attached flyer for details.

Hedgehogs residential

We are delighted that we have so many children able to make the residential trip viable. A payment plan will be set up on parent pay next week. Thank you so much for all of your support with this.

Clubs

Clubs start next week! We are looking forward to running clubs again after such a long time! We really hope that your children enjoy them.

Covid

As we start to see some of the national restrictions get lifted, please continue to follow all guidance and let us know immediately if you or one of your family members develops symptoms. Please see the website for information.

Have a great weekend and we look forward to seeing everyone on TUESDAY.

Kindest regards
